Networking

Connections and Meetings are a core element of a successful event experience. We've made this as easy as possible distilling it down to just 4 simple steps to get a calendar full of meetings:

- **Request**

Get recommendations, search and scroll through lists to request meetings for a time and date that works for you.

- **Accept**

Receive incoming meeting requests via notifications or in your email and accept them to have them synced to your personal calendar.

- **Join**

Virtual Meetings can be joined 5 minutes before the scheduled start time. You can join the meeting from your email or the platform by clicking:

- **Rate**

Give anonymous feedback on your meeting with "Good", "Bad" or "Didn't Happen" and give a reason for your rating to qualify your post-event follow-ups.
